

### **Cerina Hoang**

Cerina's involvement with Rhythmic Gymnastics happened partially because her older sister Amila, was enrolled in a local club. She was 5 years old when she did her first RG steps with Natalia Rybak at Alegria Gymnastics Club, and later she has been coached by Tracy Chu, Zdravka Tchonkova and Shari Hebert at HPTCI and Rhythmic Royals. Similarly like her sister, Cerina immediately fall in love with the sport.

As an athlete she competed at Provincial, Regional and National competitions. Cerina's favorite apparatus is ball.

Her coaching career started in 2015 at Rhythmic Royals Gymnastics Club, where she coached and developed our youngest competitive gymnasts. Cerina shares her knowledge, passion, love, and dedication with her athletes, many of which became Provincial Champions. Her tireless work led her to be nominated for many coaching awards, the highest of which is winning Coach of the Year Award - Provincial Stream in 2019-2020 competitive season.

Parallel with her coaching, Cerina is a full time University Student at the University of Manitoba, in the Faculty of Science. After two years studying in the Faculty of Science, she was accepted into the Respiratory Therapy Program in the College of Rehabilitation Sciences Faculty at the University of Manitoba. We are proud and happy to have Cerina as our coach.
